

CALAPALOOZA

To benefit "our" kids through the Cal Ed Foundation

Sponsorship Opportunities

We believe that strong schools build strong communities. Since 1998, the Caledonia Education Foundation (CEF) has been committed to building dynamic community partnerships to support our public schools by funding academic resources, innovative programming, and enrichment opportunities for students at every grade level in every school throughout the district. Over 180 grants totaling more than \$450,000 have filled in gaps that fall outside the district's normal operating budget and most likely would not be possible without CEF's support. The grants provide teachers the tools they need to deliver a world-class education and the ability to create a stronger future for our students and our community.

As a 501 (c)(3) non-profit, tax-exempt organization, CEF raises its own support through fundraising events, donations from corporate partners, individuals, alumni, and community organizations. Since its inception, a goal of building a healthy endowment fund has been a main priority to sustain the many generations of Caledonia students to come.

CALAPALOOZA is the foundation's largest fundraising event of the year. We are inviting you to join us in making this the most successful event while bringing the Caledonia community together after a very long season of being apart. Your sponsorship will be an investment in our student's education and future as tomorrow's leaders and innovators.
